Dear Guaranteed Green,

RE: Oviedo Roofing

I want to give a testimony to Oviedo Roofing. We were having leaks in our building and my residence on the property. I turned to Jim Strzalko of Oviedo Roofing for help. From the estimation to the completion of the work and the follow-up after completion, I was highly satisfied and as equally impressed. I met with Brad Peterson and he was wonderful to work with. He made sure I understood the work being performed every step of the way and he followed up with me to see gauge my satisfaction. The true test was after the first time it rained and our problem spots were problems...no more! Oviedo Roofing is a world class roofing company and I will continue to send referrals their way.

Sincerely,

Property Manager
